From the Manager....

I am excited to have the opportunity to manage Fanny Chapman Pools again for the 2010 season. Many of you I have gotten to know from this past season and I hope that you will consider joining us again for what I believe to be another exciting and safe summer.

Much of this season's information can be found online at the Borough's website under Fanny Chapman Pools. Registration forms and schedules can be found there in printable format. For your convenience, again this year, registrations for membership, swim lessons and swim/dive teams are all-inclusive on one registration form. Season calendars are available at the pool office and online at the Borough's website.

Commemorative Bricks on Sale!

The Fanny Chapman Memorial Swimming Pool was opened in 1927 with the simple notion that children should have a place to swim. Since its inception, countless youth and adults alike have benefited from this opportunity.

Commemorative bricks remain on sale for the front entrance patio to honor the memory of a loved one, celebrate a special moment or simply preserve your family name or company. Each purchase will help to preserve the legacy of the pool while ensuring its future.
