June 4	Chapman Park	East Street parking lot gazebo
June 11	Fonthill Woods	Moravian Tile Works parking lot

The Doylestown Borough Park and Recreation Board extends an invitation to join us for the Spring Scenic Stroll (formally called Walkfit). Come walk with us and see spring bloom in Doylestown as the trees come to life waiting for the birds to arrive from the south.

Active Seniors, grandkids, friends, relatives and neighbors are welcome to walk with us on Wednesdays at 10:00 A.M. We walk in sunshine but not in rain. Our fun is contagious. So come join us at one of the four walks around town. Plus, this year we have been invited to be the first to take the Doylestown Historical Self Guided Walking Tour!

A gem of our park system is Chapman Park, a wonderful collection of wooded, well manicured paths near the Borough's Fishing Pond. Walking through town is a great way to get an intimate look at Doylestown with its wonderful architecture. Fonthill Woods are always fun to explore - the paths are not paved so wear appropriate foot gear. This year we have two new self guided walks through the Historical District. So, lace up your walking shoes and join in!

Sincerely,
The Doylestown Borough Park and Recreation Board
