

Borough of Doylestown
Department of Building and Zoning
Residential Use and Occupancy Certificate Application

Background:

The Borough of Doylestown requires a Use and Occupancy Certificate for all sales and changes of occupancy. Prior to a property being sold, or a landlord getting a new tenant, a new Use and Occupancy Certificate is required. Failure to apply for and receive a U&O can result in citations being filed against owners and tenants with no additional notice required.

Certificate Application Procedure:

- Complete the section of this form marked "Property Information".
- Bring or mail this form to the Building and Zoning Office with the \$50 application fee.
- Schedule an appointment for an inspection. An adult must be present at the time of inspection.
- If everything is compliant, the permit will be issued at the end of the inspection.
- If corrections must be made, you will need to schedule a re-inspection within 30 days of the date of the original inspection (unless you are applying for a Non-Occupancy Certificate)
- Failure to obtain an occupancy certificate or inhabiting a space without an occupancy certificate may subject owner and tenant to citations filed with the court.

Standard Inspection Requirements:

- Property in safe and habitable condition.
- Sidewalks and walkway in good repair
- Exterior of property maintained
- Windows and screens intact
- Grass and weeds cut
- Property address numbers and unit numbers are visible and at least 4 inches high
- No exposed wiring
- Working exhaust fans in bathrooms with no operable windows
- Smoke detectors on each floor and every bedroom
- Inspected and installed fire extinguisher (minimum 5 pound ABC) (Non-owner occupied)
- Electric panel closed and filled with breaker or blanks
- Outlet and switch plate covers in place
- Electric circuits labeled
- Chimney and connections clean and free from cracks
- Wood stoves and fireplaces meet clearances and in good condition
- Fire walls and fire doors between living space and garages
- Handrails on stairs, guards as required on stairs, porches and decks
- No keyed locks (i.e. keyed deadbolts) on inside of egress ways
- Egress windows in operating condition
