

First Saturday Chess

Join us this summer for the thirteenth year of First Saturday Chess. This free program, sponsored by the Doylestown Borough Parks & Recreation Board, is open to players of all ages and abilities. Games will be played outside at the Doylestown Historical Society Park from 11 a.m. to 2 p.m. Director John Connelly will be available for teaching and facilitating game play. This program begins on Saturday, June 2, and continues on the first Saturday of each month through September. These first Saturday dates are July 7, August 4, and September 1. In case of inclement weather, games will be played in the Historical Society Park Barn Meeting Room located in the back of the park. Doylestown Historical Society Park is located just behind the Doylestown Historical Society Building at 56 South Main Street.

The Doylestown Parks and Recreation Board would like to publicly thank the Doylestown Historical Society for providing a permanent location for the First Saturday Chess Program. First Saturday Chess provides an opportunity for any participant to enjoy a great game in a friendly, relaxed atmosphere. Chess sets are provided, but feel free to bring your own lucky set.
