

# How do I get rid of....

In an effort to provide our residents with environmentally responsible disposal options for unwanted household items or chemicals the following list of collection centers has been provided. Please speak directly with the agencies or companies listed below with questions.

## *Household hazardous waste & Electronics*

<http://www.doylestownpa.org/Trash.htm>

They accept most items with a cord except air conditioning units

and most household chemicals.

Look at the recycling links

on the lower part of the screen.

<http://www.buckscounty.org/government/departments/CommunityServices/PlanningCommission/RecyclingGuide2008.pdf>

Disposal options for everything from ammunition to zinc

<http://www.buckscounty.org/government/departments/CommunityServices/PlanningCommission/Recycling.aspx>

Links to many local collections events

<http://www.buckinghampa.org/information/recycling.aspx>

Links for disposal and recycling options for less common items including batteries and Appliances containing Freon

In addition many unwanted but functional items can be given away or sold for a small fee on <http://www.craigslist.org> or other online classified sites.

Recycling starts with you!
