CEMETERY WALKING TOURS

CIVIL WAR TOUR

Meet some of the men from Doylestown who served in the great conflict called the Civil War. Some lost their lives on the battlefield, others came home to live out the rest of their life in their hometown. Over 200 Civil War veterans are buried here including five Generals, members of the US Colored Troops, US Naval Sailors, and the Surgeon General of the Union Army. Civil War experts and re-enactors will take you on an oral journey from Doylestown to the scenes of some of the Wars' most desperate battles.

HISTORIC DOYLESTOWN CEMETERY TOUR

Doylestown has been the home of many interesting and important personalities. Captains of industry, discoverers and inventors in science, adventurers, leaders in the world of art, literature and culture, some of them better known around the world than in their hometown. Meet some of the VIP's who reside within the cemetery, our 'underground museum', and learn of their fascinating accomplishments, both big and small.

LATE 19TH CENTURY TOMBSTONE INTERPRETATION

Every picture tells a story. The late 19th century Victorians elevated death and mourning to a high art. Everything from food and clothing to grave ornamentation suffered from a grandiosity of embellishment and flourish rife with symbolism. Learn about the meaning behind some of these beautiful, intricately carved and some-time unusual monuments.

THE POLITICAL GRAVEYARD

After becoming the county seat in 1812, Doylestown became home to innumerable local, state and federal political officials, Ambassadors, Congressmen, judges, jurists and legislators from all levels of political life and of both major parties. This tour is given only twice a year during Primary and General Election seasons.

HALLOWEEN TOUR

Lighted by luminaries the cemetery takes on an otherworldly aura. Bring a flashlight if you aren't too brave of heart, and a bag for treats. Our tour meets at the cemetery gate at 6:00 p.m.

TREE TOURS

Established as a Garden Cemetery in 1850, Doylestown Cemetery now curates an arboretum of over 500 trees, many native cultivars and specimens. Offered four times a year and led by our arborist.
