## Doylestown Borough Parks

1. **COMMUNITY FIELDS** are located on West Street, adjacent to Doyle Elementary School. Facilities include Tennis Courts and Softball Fields plus a picnic area.

2. **VETERANS MEMORIAL PARK** was established after World War II on land donated by V. F.W. Post 175. This park is popular with the Doylestown Athletic Association where many of its baseball games are played. The park also includes a playground and "tot lot", picnic areas and the park systems only Nature Trail. The park is on South Chubb Drive off of Swamp Road.

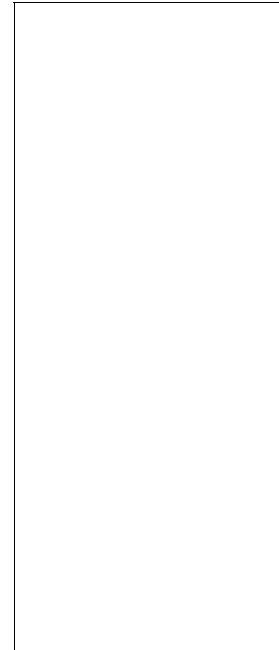

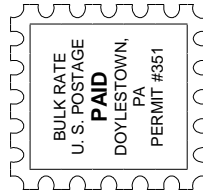

3. **CHAPMAN PARK** is the location of Fanny Chapman Pool, the Borough Pond (home of the Youth Fishing Program each April), a fitness trail, lighted basketball and volleyball courts, a "tot lot" and a Picnic area. Chapman Park can be found on East State Street between Boro Mill Road and East Street.

4. **BURPEE PARK** is located on East Oakland Avenue next to Our Lady of Mt. Carmel School, on land donated to the Borough by the Burpee Family. It is the home of the Summer Arts and Crafts Program conducted in July by the Park and Recreation Board and includes one of Doylestown's most popular playgrounds. There is also a softball field, a volley ball court, and an all purpose court which may be used for street hockey.

5. **HILLSIDE PARK** is the Borough's smallest park. It can be found on Hillside Avenue just off of South Main Street. You will find a basketball court, a playground and a picnic area at Hillside.

6. **WAR MEMORIAL FIELD** was created after World War II as a memorial to those who died in that war and later dedicated to include those who died in WW I and the Korean and Vietnam Conflicts. The field and the adjoining facilities are shared by the Borough and the Central Bucks School District. C.B. East and C.B. West play their home football and soccer games at the stadium, and other special activities are held here. Picnic tables, a lighted basketball court, and a playground are also located at this park.

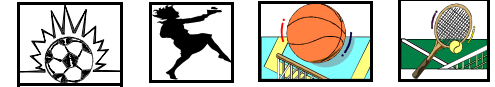

7. **WOOD STREET PARK** is located near Borough Hall on Wood Street. This neighborhood pocket park has a hard surface multi-purpose area and a tot lot playground area.
